A1 JAPANESE STEAK HOUSE SPECIALTY DRINKS

AI Special
 A1's recipe is a first-rate pineapple juice blend concocted beautifully with fine Bacardi Rum, Blue Curacao. Sweet and mild, but not weak.

Pina Colada
 For the ultimate Pina Colada we use coconut cream, Bacardi Light Rum, and a special secret ingredient.

Long Island Iced Tea
 This refreshing drink has just about everything except tea. Mixed together are vodka, rum, gin, tequila, triple sec, orange juice and a splash of coke.

Mai Tai
 A gold and dark color that has a rich pungent flavor. The Myer's Rum and triple Sec are blended with a heavy mixture of pineapple and orange juices with grenadine.

Zombie
 This is a potent drink. Our formula is an enticing mix of both dark and light rums, apricot brandy, lemon and orange juices with grenadine. We top it with 151 Rum!!

Strawberry Daiquiri
 A lovely blend of fine rum, sour mix and fresh fruits.

***Scorpion**
 A delightful mixture of fruit juices, a dash of coconut cream with a combination of fine rum and brandy. The perfect drink for two to share.

Fuji's Jade
 This is a popular drink from Japan. Mixed together are famous Fuji's Sake, Melon Liqueur, Malibu Coconut Rum and Pineapple juice.

Love Potion
 It's a mixture of light rum, banana liqueur, pineapple juice and sour mix.
